Investech Technology Consultants Internet Privacy Policy

Investech Technology Consultants Pty Ltd ("Investech") recognises that it is important for you to know how we deal with your personal and financial information. Investech collects only information that is absolutely necessary to deliver the best possible service to you and to enhance the Investech Site.

Therefore, in order to inform you of Investech's policies and activities with respect to the collection, use and transfer of information (including personal information) on the Internet, Investech provides this Internet Privacy Policy for review by users of its web site.

Collection of Personal Information

Investech collects some personal information from users of its website. Investech may collect basic contact information such as name, address, e-mail address, demographic data, and telephone and fax numbers and other information from time to time. Investech may collect such personal information as part of the registration process for certain areas of its website. Investech may also collect personal information when users submit comments, or other messages, to Investech through its website.

Additionally, Investech may collect personal information to improve and personalise the information and services Investech provides, and for security reasons, by using cookies. (A "cookie" is a small-text file that is transferred to your computer hard-drive by an Investech page service that enables us to instantly recognise you and your preferences). All information collected by means of cookies will be anonymized, aggregated and only used by us to develop and track traffic patterns and the volume of use of its Investech site. If you do not want to receive a cookie from the Investech website, you may set your browser to refuse cookies or to notify you when you receive a cookie, which you may then refuse upon such notice.

Correcting, Updating and Removing Personal Information

If a user's personal information changes, or is incorrect, please contact Investech so that we may make any necessary updates or corrections. Additionally, in the event that a user of the Investech website does provide personal information, and later wishes to have Investech remove that personal information, please contact Investech directly in order to do so.

Data Security and Integrity

Investech has put in place certain technological and procedural security functions in order to protect the personal information Investech collects against use or transfer from loss, misuse, alteration or destruction. In addition, Investech will use reasonable efforts to remove a user's personal information when it is no longer required for the purposes set forth above. However, Investech cannot guarantee that such loss, misuse, alteration, destruction or retention will never occur, and makes no representations to this effect.

Third Party Investech Sites

The Investech site may provide links to third party websites. Investech does not make any representations or warranties with respect to such third party sites. Users of the Investech site should be aware the owners and operators of such third party sites might collect, use or transfer personal information under different terms and conditions than those of Investech. Upon linking to a third party site, users of the Investech website should inform themselves of the privacy policies of such third party sites.

If you have any questions or concerns regarding the Investech Internet Privacy Policy, please contact us by means outlined on our [Contacts](#) page.
